Dear Colleague,

6<sup>th</sup> January 2025

I hope this message finds you well. I am writing to inform you that I will be retiring from my consultant and specialist dental practice effective from 27.6.2025. After 26 years of referral restorative and prosthodontic practice, I have decided to step back and enjoy a new chapter in my life. I will continue my teaching and research at the Eastman Dental Hospital (UCLH).

I want to take this opportunity to express my heartfelt gratitude for the trust and support you have shown me throughout the years. Collaborating with you has been a true pleasure, and I have appreciated the referrals and the strong professional relationships we have built.

To ensure a seamless transition for new referrals and our current mutual patients, I am pleased to recommend Dr. Uppal Patel and her team at:

Sorriso Dentistry, The Rear Barn, Windsor End, Beaconsfield HP9 2JJ.  
[www.sorrisodental.co.uk](http://www.sorrisodental.co.uk) Tel:01494 412442

Uppal will be taking over my practice and I am confident that her team will provide the same level of care that you have come to expect. I was fortunate to be involved in Uppal's specialist training at the Eastman Dental Hospital when she was completing her Masters programme in Prosthodontics. I will be very happy for her to look after my own teeth in the years to come and I can't give a better recommendation than that.

I will ensure that any work started in 2025 will be completed by me at the Geans Dental Practice or at Sorriso Dentistry. Any new patient referrals after 16.5.2025 I will pass on directly to Uppal. If you have any questions or need further assistance during this transition, please don't hesitate to reach out. I will be happy to assist in any way I can.

Thank you once again for your partnership and support. Wishing you all continued success in your practices.

With kind regards

Yours sincerely

**K W HEMMINGS**  
**Consultant in Restorative Dentistry**
